EXPERIENCE

Patriot Relocation Services Foxborough, MA
Crew Lead Mover 05/23 – 08/23 & 04/24 – 08/24

- Risk Mitigation: Identified potential risks (e.g., weather delays, traffic issues, handling fragile items) and developed contingency plans to ensure 100% on-time project completion.
- Team Leadership: Directed cross-functional teams (movers, customer representatives, drivers) to execute complex relocation plans under tight deadlines.
- Stakeholder Communication: Maintained clear, proactive communication with customers and team members, contributing to consistently high service ratings and positive reviews.

Virgin Pulse Providence, RI
Cyber Security Analyst 06/21 – 08/21

- Risk Identification: Monitored and analyzed employee accounts to detect security threats, ensuring data integrity and compliance with internal protocols.
- Incident Response: Tested and neutralized suspicious websites and phishing attempts, gaining practical experience in risk assessment and mitigation.

Data Analyst Intern 06/19 – 08/19 & 06/20 – 08/20

- Data-Driven Decision Making: Cleaned and analyzed large datasets using Excel, producing actionable insights that supported strategic decision-making.
- Collaboration: Worked closely with senior leaders and cross-functional teams to optimize processes and enhance operational efficiency.

Global Tech Experience East Lansing, MI
Web Developer 01/24 – 05/24

- Analytical Problem Solving: Utilized front-end (HTML, CSS) and back-end technologies to build and test scalable web applications.
- Project Management: Participated in real-world simulations, enhancing communication, project management, and troubleshooting skills.

Medfield Investment Club Medfield, MA
Co-Founder 09/21 – 05/2022

- Financial Risk Analysis: Established a 300+ member organization focused on financial literacy and market analysis; developed an Excel-based investment tracking system to assess and monitor risk.
- Collaboration & Presentation: Organized regular meetings to discuss market trends, investment risks, and financial planning strategies.

Entrepreneur Ventures 09/21 – 05/22

- Operational Risk Management: Coordinated supply chain logistics, budgeting, and digital marketing strategies that generated \$5K in revenue.
- Strategic Planning: Developed and implemented business strategies to navigate market fluctuations and drive sales performance.
